Technical Skills

TypeScript, JavaScript, Python, SQL, .NET, Angular, PyCharm, C, C#, Java, HTML, CSS, SCSS, Data Structures & Algorithms, Haskell, Prolog, Antlr4

Experience

O'Reilly's Sports / Shop Assistant

September 2021- PRESENT, LOCATION

I am currently working as a shop assistant in O'Reilly's Sports, a sporting goods supplier located in Donegal. I am in charge of serving customers and packaging online orders, which has greatly improved my communications skills and problem solving abilities.

IRLCA LTD / Software Developer

March 2022 - August 2022, Dublin

I spent five months working as a software developer intern at IRLCA LTD as part of INTRA. I worked as part of a development team working on a number of web applications aimed at the Pharmaceutical Industry. I have gained great experience working as part of a development team during this internship.

Kees Hotel / Lifeguard

May 2016- March 2020, Donegal

I spent four years working as the main lifeguard in a hotel leisure centre. During my time there I was solely responsible for the residents who used the pool and gymnasium. I have developed great decision making skills and the ability to work well individually from this position.

Education

Dublin City University / Computer Science

September 2019 - May 2023, Dublin

I am currently in the final year of my degree where I am on course to graduate with an upper second class honours.

Projects

- Designed an Android application to gather news articles about the English Premier League from multiple news sources and display them for users to browse.
- Currently in development of a social media application aimed at music fans and artists where they can promote and communicate with each other as part of my final year project.
